Mr. Subra Shanmugam
President, Nagarathar Sangam of Australia

Dear Subra

On behalf of my colleagues and me at the Nagarathar Sangam of North America, I take this opportunity to wish you and your colleagues at NSA an enjoyable and festive NSA Sangamam 2013

This is certainly an excellent opportunity for you in Australia and your neighbors in New Zealand to get together, socialize, coalesce, celebrate our culture and inspire a new generation.

It was unfortunate that I did not receive my visa in time as the bureaucracy at the Australian Embassy in Washington is mind boggling (4 weeks to get a visa). Both my wife and I had our air ticket reservations on stand by

My thoughts are now with you and we regret to have missed the opportunity to be amongst Nagarathars in your region.

Kindly convey our best wishes to the organizers and do encourage your attendees to come and join us at our Global convention in San Jose, California, July 4 – 7 2013 where we are estimating over 1,200 + participants to attend making this the largest gathering of Nagarathars overseas.

We have planned a vibrant program that will include the Nagarathar entertainment at its best and beneficial forums focusing on issues confronting the community such as:

- Surface entrepreneurial spirit in our community
- Empowering underprivileged Nagarathar women with vocational skills
- Global initiatives to enable successful marriages
- Create effective programs to mentor our youth

I do hope that you will be able to make it with your family

Thanks & best regards

R Vairavan
